Gentlemen:

This refers to the request to clarify and/or confirm the statements contained in the news article entitled "FruitAs plans more acquisition" posted in BusinessWorld (Online Edition)

As disclosed last January 6, 2025, FRUIT has earmarked 10% of its 2025 capital expenditure (CAPEX) budget of Php500 million for acquisitions. The Company remains committed to pursuing strategic growth opportunities that align with our core businesses and enhance shareholder value.

Management continues to evaluate potential acquisition targets that would complement and add value to our existing portfolio. Among others, we are considering opportunities in our beverage segment and expanding product offerings within our Balai Pandesal community stores. Our goal is to leverage synergies between our current operations and any future acquisitions to optimize growth and operational efficiencies.

Very truly yours,

Marvin C. Yu

Corporate Secretary
